2010 Referee Training & Certification

At the CCC Annual meeting on January 30, 2010 the Council agreed to sponsor a Referee Training & Certification program. Jeff Soo will conduct both the Training and Certification phases of the program.

The schedule for the 2010 Referee Training, Testing, and Certification follows:

Referee Training (Classroom and On-The-Lawn)

March 18 - Phase I Training

March 22 - Review Phase I, Phase II Training

Referee Testing & Certification

March 29 AM Review Phase II Training, Written Tests

March 29 PM Initiation of On-The-Lawn Testing

March 30-? Continuation of On-The-Lawn Testing As Required

The cost of the program is estimated to be in the range of \$110-120.00 per participant. In order to qualify more certified referees for our tournaments, participants will be charged only \$80.00 for the three day program with the CCC subsidizing the remaining cost.

The CCC recognizes that a sound knowledge of *The Official Rules of The USCA American Six Wicket Game* is required for participants to be successful in the certification process. To assure that participants have an adequate knowledge base, CCC referees will provide at no cost, Rules Refresher Clinics, to those participating in the program. Those interested in a refresher clinic should contact Stan Abrahamson, 705-5261, StanjoA@gmail.com, in order to set agreed upon dates and locations for the Rules Refresher Clinics.

The Rules Refresher Clinic will be held at agreed upon locations.

The Referee Training & Certification Program is scheduled to be held at Sun City.

Dateline for sign-up is March 1, 2010.
